

Microsoft Dynamics GP™ 2010 Year End Classes Orlando & Tampa

Please join us for a comprehensive training class that will cover all closing procedures of your books for your fiscal and calendar year. Whether you're closing on Microsoft Dynamics GP™ (Great Plains) for the first time or just need a refresher course, this class is for you.

Our experienced consultant will walk you through the typical checklists that can be used for Year End

processing, point out the windows to use and where people typically encounter issues.

General Ledger, Fixed Assets, Accounts Payable, Accounts Receivable, Inventory & Payroll modules will be covered (**Payroll covered December 7th and 15th ONLY**).

*To ensure a successful Year-End closing,
reserve your space now!*
